Mountain Magic Detergents are specifically designed for hand dishwashing in the fast-paced hospitality environment; as well as in institutions – aged care and childcare – and the leisure stay sector. They are efficient, economical and come in a range of solid concentrations to cover every need, and are pH neutral to avoid irritation to skin.

Lemon Magic

Green Magic

A concentrated, mid-range detergent. It has a mint fragrance and is especially suitable for high-throughput kitchens.

Gold Magic

Our economy detergent. It has no perfume and is perfect for the more cost-conscious user who still wants a detergent with grunt.
