

Omniwash

Heavy duty truck & vehicle detergents

Cleans • Degreases

- Trucks
- Buses
- 4WDs
- UTEs
- Cars
- Caravans
- Plant

Omniwash is available in both quick break (QB) and standard (S) versions. Omniwash foaming detergent degreasers cut through heavy vehicle dirt and grease. Omniwash QB and S are both suitable for cleaning all on- and off-road heavy and light vehicles, including trucks, buses, plant equipment, 4WDs, UTEs, cars and caravans.

Omniwash QB incorporates Mountain's Quick-Break technology and is phosphate free. Omniwash S is specially kind to paintwork and has an added rust inhibitor.

What is a "Quick Break" detergent?

During the cleaning process quick break detergents and degreasers temporarily emulsify oil and dirt into the washdown water and then actively separate the oil and dirt from the clean water. With high quality quick break products (like Omni QB) more than 90% of the oil rises to the surface within 30 minutes of wash down. The oil is then easily separated from the clean water in a collection pit or oil/water separator.

OMNIWASH:

- Can be applied with any standard cleaning equipment.
- When applied using foaming equipment produces thick foam that maximises the contact time and efficiently penetrates and breaks down grime and grease to produce a super-clean result, quickly.
- Can be used to clean paintwork, windscreens and glass, chrome, rubber, vinyl, aluminium and even tarpaulins.
- Is free-rinsing and leaves a streak free finish.
- Is worker-safe and solvent-free.
- Has a pH of 8.0 – 9.0 (QB) or 7.5 – 8.0 (S).

How to Use:

| Application | Method | Dilution mls per litre |
|-------------------|--|---------------------------|
| Heavy Duty | Pre-rinse vehicle with water. Apply diluted Omniwash. Leave for 5 minutes to penetrate dirt and grease. Rinse off with water and allow to dry. | 50 |
| Light Duty | | 25 |
| Pressure Cleaning | Pre-rinse vehicle with water. Spray or foam diluted Omniwash on to vehicle. Leave for 5 minutes to penetrate dirt and grease. Rinse off with water and allow to dry. | 50 |

Ordering Information:
