Mountain Peroxy-Spray & Wipe, **with active Oxygen**, cuts through grease and dirt, killing germs. It contains natural solvents that boost solvency, giving fantastic grease cutting power. The active Oxygen sanitizer ensures hygienic cleanliness. For use on hard surfaces such as refrigerator doors, stovetops, sinks, vinyl, laminates, walls, ovens, freezers, painted surfaces, bench tops and stainless steel. Bathrooms, toilets and shower recesses can also be cleaned with Peroxy Spray & Wipe.

#### DIRECTIONS:

**For General cleaning & Disinfecting**—Use neat in a hand held atomizer or spray gun. Simply spray onto surface, then wipe off with a moist sponge or cloth. For tough stains, spray surface and leave for 10 minutes, then wipe clean.

**Kitchen Cleaner**—spray onto bench tops, hard surfaces, wipe off with a moist sponge or cloth.

**Laundry Stain Removal**— For white or colourfast fabric—spray onto stain (grass, wine, beetroot, coffee, mud etc.) and wash with Mountain Laundry Liquid or Powder in the warmest water the fabric will tolerate. 50ml added to the machine will boost your washing.

**Carpet Spotter**—Test for colour fastness. Spray onto spot, agitate and rinse off.

**Mirrors & Glass**—Spray on and Polish off.

**Mountain Peroxy-Spray & Wipe** is a ready to use multi purpose cleaner and sanitizer that has been developed for easy maintenance of almost any hard surface. However it is not recommended for use on polished, varnished or lacquered surfaces (test a small inconspicuous area first).

**Contains no:**

**Formaldehyde, Glutaraldehyde,  
Nitrates, Caustics, Acids, Sulphates, Phosphates, Chlorine or Quats**
