Degreases

PeroxyClean has been specially developed for use by organic-certified primary producers, manufacturers and processors as an all-purpose cleaner and sanitiser.

PeroxyClean's OxyAction cuts through dirt and grease, killing bacteria, mould and mildew and eliminating odours at source.

PeroxyClean is suitable for all hard surfaces including floors, walls, ceilings, tables and benches, manufacturing equipment & tools, and glass.

PeroxyClean is supplied as a super-concentrate and is diluted according to application.

- ✓ Floors
- ✓ Walls
- ✓ Ceilings
- ✓ Processing & manufacturing equipment
- ✓ Tools
- ✓ Hard surfaces
- ✓ Amenities

PeroxyClean is

- ◆ Formulated from hydrogen peroxide (at 10% concentration), a permissible cleaning and sanitising substance listed in the National Standard for Organic and Biodynamic Produce (Edition 3.4).
- ◆ AQIS approved for use in all food-related premises: including food processing, preparation, consumption, transport and storage.
- ◆ Biodegradable to Australian Standard AS 4351.
- ◆ Extremely cost effective due to its high dilution rates.

Manufactured by **Mountain Cleaning Products**

PeroxyClean Organic Safe

Facts about Hydrogen Peroxide

- Hydrogen peroxide (H₂O₂) readily biodegrades into water and oxygen.
- 35% H₂O₂ is used in hospitals to prevent infection transmission.
- 3% H₂O₂ is used medically for cleaning wounds.
- At very high concentrations (90%+) it is used as a propellant.
- When mixed with baking soda and a small amount of hand soap it is very effective at removing the smell of cat urine!
