TAR REMOVER - petroleum based

Mountain Petroleum based Tar Remover has been designed to use where a natural product is not necessary. It is petroleum based and is more beneficial where excessive amounts are required. The product should not be used on carpets or fabric.

Directions:

- Apply directly to tar/bitumen and allow to stand for 5—10 minutes. Agitate with a brush to enhance cleaning. Rinse with water, preferably high pressure.

POISON

First Aid Instructions

- **Swallowed:** If swallowed, rinse mouth thoroughly with water. Do not induce vomiting. Seek urgent medical attention.
- **Eyes:** Immediately irrigate with copious quantities of water for at least 15 minutes holding eyelids open. Seek immediate medical attention & continue irrigating eyes while in transit.
- **Skin:** Immediately remove contaminated clothing and wash skin thoroughly with water for at least 30 minutes.
- **Inhaled:** Remove victim from exposure—avoid becoming a casualty. Seek immediate medical attention.
