**OUR OBJECTIVES ARE TO MANUFACTURE PRODUCTS:
To be user safe – to be environmentally friendly – to conquer the task at hand**

AMENITIES CLEANERS

TOTAL BATHROOM CLEANER

Is just that—one product to do the lot. Showers, toilet bowls, basins and baths.

Directions:

- Use undiluted to clean toilet bowls. Squirt from the bottle, under the rim of the toilet bowl, brush and flush.
- Use undiluted on Urinals. Squirt onto surface, agitate with white scourer and flush well with water.
- For basins, shower recesses and bath tubs, dilute at up to 20-1 (50ml per litre). Apply directly to white sponge scourer and agitate over surface, including the glass on shower screens. Alternatively, apply directly to the surface, wipe over, agitate and flush off.

URINAL & TOILET BOWL CLEANER

Has been designed to clean Urinals and toilet bowls in commercial premises where heavy use applies. It is a phosphoric acid based product that is strong and concentrated.

Directions:

- For toilet bowls—squirt undiluted under rim, scrub with a good toilet brush and flush.
- For Urinals—squirt undiluted onto surface. Scrub with white scourer. Flush with clean water.

TYDIE AMENITIES DESCALER

A combination of acids that react on calcification to remove the build up on stainless steel and ceramic urinals and toilet bowls and on swimming pools.

Directions:

- In extreme cases product may be used neat (undiluted) applying with a green scouring pad to agitate.
- For daily maintenance and for mild calcification use diluted at up to 20-1 (50ml per litre)

First Aid Instructions

- **Swallowed:** If swallowed, rinse mouth thoroughly with water. Do not induce vomiting. Seek urgent medical attention.
- **Eyes:** Immediately irrigate with copious quantities of water for at least 15 minutes holding eyelids open. Seek immediate medical attention & continue irrigating eyes while in transit.
