Mountain's Vehicle Care

Vehicle Wash & Wax

AUTO SHAMPOO WITH HIGH GLOSS SILICONE AND WAX POLISH

NEUTRAL—NO SOLVENTS—BIODEGRADABLE

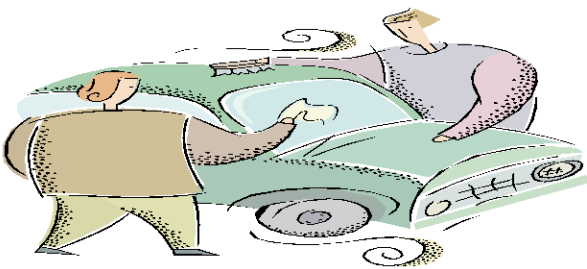

Cleans & restores shine in one simple operation. Powerful detergents go to work on road grime, oil and pollutant particles that are responsible for much of the premature dulling of paintwork and trim. Simultaneously, a modern silicone/wax system fills small scratches and protects with a high gloss film that is mechanically durable. Ideal for use on paint, chrome, fiberglass, steel, glass, rubber and aluminium. A neutral pH ensures previous protective wax films are not removed.

Vehicle Wash

Tackles the grime on the biggest truck to the most delicate of cars. Rinses off with no streaking. Has no solvents to damage the paintwork but has a rust inhibitor added.

Vinyl Restorer

Designed to revive and restore that "as new" look to vinyl surfaces—dashboards and interior. Spray on and wipe off with clean cloth.

De-Tar

A strong natural, citrus product, to dissolve tar from paintwork with utmost ease. Simply dab on and wipe away and the residue washes off with the rest of the road grime.

Petroleum Based Tar Remover

A highly concentrated water-solvent based tar remover designed to be applied, agitated and hosed off.

213 Foaming Degreaser

Is a citrus boosted, foaming degreaser which can be used for pre-spraying wheels and tyres & under the chassis. Spray on motors and simply hose off. 213 can also be used as an additive to the windscreen washers.

Super Sheen

A magic, clear, silicon based rubber & plastic treatment to add shine with lasting resilience. Paint onto surfaces with a brush and if necessary, wipe off surplus with a cloth.

Odour Block Air Freshener

Designed to cover odours such as those left by cigarette and tobacco and Marijuana smoke, pets and food etc. Spray undiluted.

Crystal Clear Window & Glass Cleaner

Simply spray on, undiluted, and polish off with clean, lint free cloth or paper.
