

213 Foaming Cleanser

Non-caustic foaming degreaser & cleaner

Cleans • Degreases

- Floors
- Walls
- Conveyor belts
- Amenities
- Workshops
- Industrial
- Laundry

213 Foaming Cleanser is a unique high performance non-caustic foaming cleaner degreaser that is worker safe, food-safe and fully biodegradable. 213 is citrus-boosted and can be applied to any hard surface to remove grime and grease – efficiently and safely. 213 is a true multi-purpose cleaner and is used extensively in food processing, meat processing and butchers; commercial kitchens; commercial laundries; caravan park amenities, bathrooms and toilets; vehicle detailing; workshops and garages, outdoor maintenance and homes.

213 FOAMING CLEANSER:

- Is an environmentally sustainable product.
- Has a quick break of less than 30 minutes.
- Is AQIS approved and food-safe.
- Has a pH of 11.0 – 12.0.

OUR CUSTOMERS USE 213 IN SOME OF THE FOLLOWING WAYS:

- Floors: 213 is excellent at cleaning greasy kitchen floors.*
- Walls: Use 213 to remove the grime that builds up on walls. It even removes the residue left by tobacco smoke.
- Exhaust Vents: 213 safely removes grease & build-up from exhaust vents.
- Food Conveyer Belts: 213 is AQIS approved for use in food areas and is excellent at cleaning and degreasing conveyer belts in food processing and manufacturing facilities.
- Meat Processing Facilities: 213 is a heavy foaming degreaser agent.
- Bitumen Trucks: Bitumen contractors spray 213 in the back of their trucks before each load of bitumen to prevent the bitumen sticking to the surfaces.
- Laundry soaker and pre-spray: 213 is excellent as a laundry soaker or pre-spray for tea towels, white linen and dirty, greasy clothes to help remove those tough stains. Our vehicle workshop customers tell us that pre-spraying their work clothes with 213 gets their clothes really clean.
- Showers: Our caravan park and accommodation customers use 213 to remove the soap scum from the showers.

*For high-shine floors use Mountain's Tornado Floor Cleaner. 213 is not suitable for floors that require a high-shine finish.
