

Mountain Hand Cleansers

Liquid hand soaps and waterless hand cleaner

Cleans • Degreases

- Washroom
- Kitchen & food service
- Care facilities
- Medical centres
- Food processing

There's a Mountain hand cleanser for every requirement in the commercial sector and in care facilities, where good hygiene and sanitation are paramount.

WATERLESS HAND CLEANING:

Our WATERLESS HAND Food Prep Grade Hand Cleaner delivers clean, sanitised hands, fast, and is ideal for hand cleaning and hygiene around food, as well as away from wet areas. Its alcohol base ensures a fast-drying action. Glycerin is added to protect hands and help keep them soft; especially important where multiple applications are necessary through the day.

MOUNTAIN'S RANGE OF HAND SOAPS:

Clean away a wide spectrum of commercial and industrial soils and caters for all washroom and food handling requirements.

THERE ARE 4 HAND SOAPS IN THE MOUNTAIN RANGE:

- **PINK HAND:** pink liquid hand soap, with a floral fragrance and coconut extract. pH is 5.5 – 6.0.
- **LIQUID HAND:** a transparent, unfragranced liquid hand soap, boosted with a food-safe anti-bacterial agent for extra germ killing power. pH is 5.5 - 6.0.
- **LEMON MYRTLE HAND:** a pale green liquid, fragranced with native lemon myrtle oil and boosted with a food-safe anti-bacterial agent for extra germ killing power. pH is 5.5 – 6.0.
- **HYGIENE HAND:** blue liquid hand soap, with a floral fragrance and coconut extract. pH is 5.5 – 6.0.
